COMPANIES TO
WORK FOR

Excerpts from Business Today, Latest Issue, Jan 25th 09

“HCL Infosys - which makes laptops, devises networking solutions for a variety of industries such as telecom and power and distributes iPods and cameras—has leap-frogged a staggering 10 places from last year’s Best Companies list, **from 13 to 3.**”

“The principal magnet that attracts new talent to HCL is the company’s ability to continually stoke a culture of innovation and entrepreneurship. “We allow people to take risk. We don’t crucify them if they fail,” says Chief Operating Officer J.V. Ramamurthy, a former aeronautical engineer, who has been piloting the company for the past five years...”

“Low-key, devoid of pretention, anti-elite, highly diversified and habitually innovative, HCL may well represent the emerging face of the Indian technology firm of the future.”
